ORDER SATISFYING SHOW CAUSE

After reviewing the complaint, the Court was not satisfied that complete diversity existed between Plaintiff and Defendant. The Court ordered Plaintiff to show cause that diversity jurisdiction exists. Specifically, the Court required information regarding Plaintiff's citizenship and Defendant's state of incorporation and principal place of business.

On June 27, 2019, Plaintiff submitted a satisfactory response to the Court's Order. Accordingly, the Court finds that complete diversity exists.

IT IS ORDERED.
